Dimensions and square footage calculations are approximations only and are based upon architectural measurements which, among other things, measure the Units from the exterior of all perimeter walls (excluding balconies) except for those between two adjacent Units which are measured from the wall's midpoint. As a result, the Developer does not represent or warrant that the actual dimensions and square footage of the Units will be as reflected on floor plans and other promotional materials. This brochure and other marketing materials may use calculations for the square footage of Units in a manner different from that set forth in the Declaration of Condominium, which generally includes only the interior air space between interior unfinished surfaces of the walls bounding the Units.
